

**Mark your calendars
and register TODAY!**

Plan NH will be returning to the Nashua Country Club for the 21st Annual Golf Classic on

Monday, September 27, 2010

Funds raised during this event go directly into Plan NH's Scholarship fund*, as well as to the organization's operations. The Scholarship Fund awards scholarships to New Hampshire students at the undergraduate or graduate level who are studying in a field that supports Plan NH's mission.

It is through the generosity of sponsors and players like you that critical success - including financial—happens.

*In these tight economic times, this support is appreciated more than ever. To acknowledge that, we have **enhanced our sponsorships at the higher levels** so that benefits continue beyond the Tournament itself. We hope you will take advantage of these offers—not only for Plan NH, but **for your own company** as well.*

Your support is not only monetary: it also demonstrates a belief in and commitment to the mission of Plan New Hampshire and the students and communities we serve.

*Plan NH also has a large Fellowship Program, which is separate from our Scholarship Program and has its own funding source.
