“Economic Revitalization – What’s Happening in your Community?”

FREE breakfast forum

Wed., May 30, 2012

7:30 - 9:00 a.m.

Stratham Municipal Center

Community Room A

10 Bunker Hill Ave., Stratham

Economic Revitalization initiatives come in different forms and are happening in many communities. Find out what’s happening in the local communities served by the Exeter Area Chamber of Commerce.

Join us for the second forum in a series that will give you the latest information about some of the economic development and revitalization initiatives happening in your local community!

Topics to be discussed include the Gateway Commercial Business District Master Plan, Form Based Code, water/sewer infrastructure improvement, and the Plan NH Town Center Design Charrette.

Business owners, developers, commercial realtors, brokers and investors are strongly encouraged to attend these important sessions!

Space is limited. RSVP at events@exeterarea.org
