Plan New Hampshire receives charitable gaming funds from Revo Casino and Social House in Dover

PORTSMOUTH, N.H. – Plan New Hampshire, The Foundation for Shaping the Built Environment, commonly known as Plan NH, is thrilled to receive \$39,099.67 following a successful ten-day charitable gaming event at Revo Casino and Social House in Dover. Through Revo’s “Rebels with a Cause” charitable giving program, a portion of proceeds from gaming activities on August 9 through August 18 will support Plan NH’s mission to foster excellence in planning, design, and development of New Hampshire’s built environment.

“We’re beyond grateful for Revo Casino’s generosity — it truly means the world to us,” said Plan NH’s Executive Director Tiffany Tononi McNamara. “As a small organization with a big mission, this support helps us do more of what we’re passionate about: bringing people together to learn, collaborate, and build stronger, more vibrant communities across New Hampshire. It’s exciting to think about the impact this will have — not just today, but for the next generation of leaders shaping our state’s future.”

Plan NH is dedicated to raising awareness of the impact of the built environment on the social, economic, and environmental vitality of New Hampshire cities, towns, and neighborhoods. The organization champions social and environmental responsibility and collaboration among the diverse organizations, professions, and individuals working in planning and development across the state.

This funding will significantly enhance Plan NH’s mission by elevating their educational and professional development offerings through high-quality speakers and innovative programming. Additionally, these funds will help Plan NH meet a long-standing goal of increasing the amount awarded through scholarships to New Hampshire students studying a field related to the Plan NH mission. These scholarships cultivate the next generation of industry experts and innovators across the many sectors that make up New Hampshire’s Community Development field. Furthermore, the addition of these funds will strengthen Plan NH’s operational capacity, allowing Plan NH to meet the expanding needs of their members and partners, all of whom are working to foster sustainable and vibrant communities through design and development across the Granite State.

Revo Casino and Social House's "Rebels with a Cause" program demonstrates their commitment to the growth and resilience of New Hampshire communities by supporting Plan NH's programs and mission. Through their "Rebels with a Cause" charitable giving program, Revo has donated thousands of dollars to organizations throughout the state in 2025.
